2. TROPICAL CYCLONES, HEAVY PERSISTENT RAIN AND THUNDERSTORMS

Please note the following actions and arrangements in the event of tropical cyclones, heavy persistent rain and thunderstorms :

- a) Students should listen to the radio and television stations before 6:15 a.m. to see if there is an announcement of closure of schools by the Education Bureau. If such an announcement is made, students should stay home. However, if the announcement is made after 6.15 a.m. and students are on their way to school, they will be taken care of by teachers on duty in the school after they arrive until they are picked up by their parents/guardians or until the situation warrants a safe journey home.
- b) When the Education Bureau makes a public announcement of the re-opening of schools, parents/guardians should use their discretion in sending their children back to school. If it seems to them that local weather, road, slope, traffic or transport conditions have not by that time returned to normal, they should let their children stay home. A letter from the parent submitted to the school afterwards would be accepted as a valid leave for absence under such situations.
- c) When the school is in session and the Education Bureau makes a public announcement of immediate closure of schools due to rapidly deteriorating weather, the school will ensure that students will be taken to a safe place or to alert parents to accompany them home.
- d) In exceptional circumstances, the Education Bureau may announce the closure of schools in one or more districts. Students living in such districts need not go to school even if their schools are located elsewhere. Parents and students please note the name of the district in which they live. Please also note that our school is located in the TAI KOK TSUI district.
- e) For internal examinations, examination sessions affected by closure of schools due to tropical cyclones, heavy persistent rain or thunderstorms will be postponed. New arrangement will be posted on the school webpage and school intranet on that day. The examination dates for the affected subjects will also be announced when school resumes. For other subjects, the examination timetable will remain unchanged and all subjects will be examined on the scheduled dates. School may make alternative arrangements regarding internal tests or examinations for those students who cannot return to school or arrive late because of poor weather, road, slope, traffic or transport conditions. However, for public examinations, students have to listen to radio or television stations for announcements made by the relevant examination authorities.
- f) In general, school will be closed when typhoon signal No. 8 or above is hoisted or when the 'BLACK' or 'RED' warning of the rainstorm warning system is issued. For 'AMBER' warning, the school will operate as usual unless advised otherwise. But parents can decide at their discretion whether to send their children to school considering the weather and road conditions of their living areas.

Please be informed about the types of fees which will be collected in this school year:

4. GUIDELINES FOR SAFEGUARDING STUDENTS' PERSONAL BELONGINGS

a) **Money**

- Students are strongly advised not to bring large amount of money to school.

b) **Valuables**

- Students are strongly advised not to bring valuables to school.
- **Valuables such as personal electronic devices, electronic games and other such items are not permitted at school.**
- **Students found with such devices (whether in use or otherwise) will have them confiscated and retained by the school authority until the parent/guardian comes to school to recuperate the said item(s). Appropriate disciplinary action will be taken against the student concerned, e.g., detention class.**

c) **Mobile phones**

Students are not allowed to bring mobile phones to school. If parents want them to bring mobile phones for whatever reasons, they must apply for approval from the school authority and follow all guidelines concerning bringing mobile phones to school. For details, please read and sign on P.8 of the student's handbook.

d) **Storing and safeguarding of personal belongings**

- Personal belongings should be clearly labeled with name and class to facilitate return in case of loss.
- Each student will be provided with a locker to store personal belongings. He/she will be required to provide and use a padlock to secure his/her locker. Before the end of each term, at a time specified by the school authority, lockers must be cleared and padlocks removed. The school authority reserves the right to remove padlocks and clear the lockers of students who fail to do so within the specified time.
- Students are not allowed to use the desk compartments to store personal belongings. The school reserves the right to remove belongings left in desk compartments.
- While at school students are responsible for safeguarding their personal belongings, which should not be left unattended for any length of time.
- During P.E. lessons, students should deposit belongings such as wallets in the custody of the P.E. teacher(s).

The school will not be responsible for any loss or theft of students' personal belongings. Please remind your child/ward that the school premises are like any other public venue so the need to be vigilant about safeguarding his/her personal belongings is very important.

5. LETTERS ISSUED FOR DISCIPLINARY MEASURES

Students must follow and observe school rules and regulations. For the details of Point System for Latecomers, Point System for Improper Uniform and Appearance and Disciplinary & Commendation Systems, please refer to **Appendix 1 to 3.**

The school places great importance on effective home-school cooperation and aims to keep you informed about your child's/ward's all-round performance.

During the school year behavioural problems may arise and, in accordance with the school's disciplinary system, your child/ward may receive a disciplinary measure: a **black mark, a minor demerit or a major demerit** for which a letter will be issued.

For your convenience there are **two delivery options for letters issued for black marks:**

- 1) **Via your child/ward.** The class teacher will pass the letter to him/her and he/she will be required to sign for it. No parent signature will be required;
- 2) **In person.** You will come to school to sign and collect the letter.

Please indicate your choice on Reply Slip No.1.

If, however, your child/ward receives a minor or a major demerit, you will be invited to come to school for an interview during which you will meet the teacher(s) concerned in order to discuss the case and strategies to help your child/ward to improve his/her performance. At the same time you will sign and collect the letter.

6. ECA ENROLMENT PROCEDURE & ASSESSMENT CRITERIA (2016-2017)

It has been a long-established policy of the school to attach great importance to extra-curricular activities (ECA) with the aim of enhancing our students' holistic development. Every year the ECA Committee offers a wide range of club activities to students ranging from academic subjects and interests to sports and community services. A list of clubs and school teams, together with their meeting schedules, will be sent to you for your reference in due course via your child/ward.

The ECA enrolment period will be scheduled from 13 September 2016 (Tuesday) to 23 September 2016 (Friday). Students have to turn up at club meetings during the above period for enrolment. They may enroll in a maximum of three school clubs according to their own interests and needs. Please kindly discuss with your child/ward and give him/her advice for the enrolment and encourage him/her to take an active part in club meetings and other extra-curricular activities.

In order to give recognition to students' participation and effort in attending ECA, their performance in each of the ECA clubs will be assessed and recorded in their OTHER LEARNING EXPERIENCES (OLE) REPORTS according to the following criteria:

Comment (Grade)	Assessment Criteria
A (Excellent)	High attendance plus a prize in an inter-school competition or great contribution to the club
B (Very good)	High attendance plus some contributions to the club
C (Good)	Over 70 % attendance
D (Satisfactory)	Between 60% - 70 % attendance
E (Unsatisfactory)	Between 50% - 60 % attendance

Note: Membership will be cancelled if the attendance is below 50%.

To make the ECA scheme a success, your encouragement of your child/ward's participation in the meetings and activities is highly appreciated.

7. P.E. LESSONS AND PARENTAL CONSENT TO STUDENTS' ATTENDING P.E. LESSONS (Health Condition of Students)

a) Regulations for P.E. lessons

- For P.E. lessons, students must change into P.E. uniform at the beginning of the P.E. lesson in the changing room and change back into school uniform at the end of the lesson. Students having P.E. lessons in the last period of the session/day must change back into school uniform at the end of the lesson before leaving school.
- Students must change quickly and quietly in the changing rooms and not in the classrooms or special rooms.
- For a long period of exemption from P.E. lessons, a certificate from a qualified doctor and parent's/guardian's letter of application must be submitted.
- For exemption from a P.E. lesson, a student must obtain permission from the P.E. teacher by showing a parent's/guardian's letter in the handbook.

b) Parental Consent for students attending P.E. lessons

In line with our school mission to provide an all-round education for our students, Physical Education as a cultural subject is offered to all S1 to S6 classes. However, parents are reminded to note that if your child/ward suffers health problems of any kind, you should decide after consultation with the doctor whether they are suitable for participation in P.E. lessons or other sports-related extra-curricular activities.

To facilitate necessary arrangements and to ensure students' safety at school, we wish to be well informed of the health condition of your child / ward. In this regard, parents are kindly requested to complete the attached reply forms (Reply Slip No.2) in two parts. (**Part A is compulsory** while Part B is optional) The information collected will be strictly for school use and will not be divulged to other parties without the consent of the parents/guardians concerned.

8. APPLICATION FOR HONG KONG JOCKEY CLUB LIFE-WIDE LEARNING FUND

We encourage students to take part in extra-curricular activities in order to promote students' all-round development and help them cultivate positive values and attitudes towards life. To provide assistance to parents who cannot support their children financially for these activities, the school has applied for the Hong Kong Jockey Club Life-wide Learning Fund from the Education Bureau. The Fund is to support financially-needy students to participate in life-wide learning activities organized by schools. Students who receive the Comprehensive Social Security Allowance, Full Grant for Textbooks or with other financial difficulties are eligible for application. In this regard, parents are kindly requested to complete the attached Reply Slip No. 3. The information collected will be strictly for school use and will not be divulged to other parties without the consent of the parents/guardians concerned.

Please kindly fill in and sign the attached reply slips and the Health Declaration Form and return them together with the total amount of the fees to be collected to the respective class teacher via your child/ward by 5 September 2016. Thank you for your attention and support to the school.

Yours faithfully,
