18 January 2018

Dear Parents/Guardians,

**An Incident Happened to our Student**

Sir Ellis Kadoorie Secondary School (West Kowloon) is dedicated to maintaining a strong partnership with parents with an aim of providing the best education to our students. A key aspect of that partnership is open communication. For this reason, we would like to inform you of an incident that occurred in the evening of 16 January 2018. One of our S.2 students fell from a building by accident and sustained serious injuries. He is currently in the intensive care unit of the hospital and his condition is stable.

The Principal together with the Guidance Mistress and a teaching assistant who speaks Hindi visited the injured student in the hospital in the morning of 17 January 2018 after the incident happened. The school social worker also visited his family and met his mother in the afternoon. We are keeping close contact with the family and will liaise with the hospital to provide him with as much support as possible.

The school will also arrange an assembly to remind students about safety and provide suitable counselling service to the students involved so as to ease their concerns and worries.

As always, our foremost concern is the safety of our students. We have put in place procedures and policies to maintain the school a safe environment for our students. We would also like to seek your support in keeping close supervision on your child or student under your care and to urge him/her to refrain from participating in any high risk or dangerous activities.

If you need any assistance, please do not hesitate to contact the class teacher at 25761871 or the school social worker at 28915799.

Yours faithfully,

Mrs. YEUNG KWONG Mong-ha

Principal
