Evaluation

<i>Level</i>	<i>Strategies/Tasks</i>	<i>Time Scale</i>	<i>Success Criteria</i>	<i>Evaluation</i>	<i>Remarks/ Recommendations for Improvement</i>
S.5	The workshop could help S.5 students to develop “self-awareness”.	2 nd term	Over 80% of students attended the workshop agreed with the statements	- 95% of students agreed that the program was useful to articulate their self-awareness.	<ul style="list-style-type: none"> - The same course could be continued for S.5 in the following year. - It is strongly suggested that more careers teachers be encouraged to sit in the class for the purpose of professional development. In years to come, careers teachers would organize the similar workshop on their own.
	The workshop could enhance students’ “opportunity awareness”.			- 95% of students agreed that the program was useful to enhance their awareness of opportunities.	
	The workshop could develop students’ “decision-making skills”.			- 91% of students agreed that the skills were practical.	
	The workshop could inspire students how to plan for their future studies.			- 91% of students agreed that the program was inspirational and helpful for them to make their own plan.
