### **Letter to a friend**

August 15, 2016,

Dear Josie,

Are you having a good day? I hope so!

I am very excited that you are coming to Hong Kong. It's been a long time since we've seen each other. I can't wait to spend a day with you on the 24<sup>th</sup> August.

I have prepared some activities for you during your stay in Hong Kong. I know that you like painting so we may take part in the activity called "Art Jamming", in which you do not need any experience, you just pick up a paint brush and start painting and the best part is you can take your work away and show it to your friends and family. Another activity that I arranged for you called "Out of the Box", I know you're going to love this activity since this involves dancing. "Out of the Box" is a special show that combines various dances from hip hop, ballet and even tap dancing. The show will be held from the 23<sup>rd</sup> to the 24<sup>th</sup> August.

You also mentioned that you want to join a walking tour about art and architecture. I have found a tour which covers three places for us. "St John's Cathedral" is one of them. This church is one of the oldest churches in Hong Kong and it looks so special because it was built like a cross with an impressive bell tower. Another place is the "Central Police Station", it is one of the most famous historical buildings in Hong Kong, it was built in a mixture of western and Chinese architectural styles.

I hope all these activities will be your cup of tea. Please let me know if you have any other ideas.

P.S. I can't wait! See you soon!

Love,  
Chris
